Scoutmaster's Corner

Welcome to the start of our Troop's 2009-2010 year of scouting! A lot of Troop activity has been going on since Summer Camp, so a quick review is needed to get everyone "in-the-know". The troop's annual planning conference was held (two meetings) in August. At this meeting, the SPL council, adult leaders, and parents met to set the calendar of troop events for the year. Throughout the year, the troop may choose to change camping locations and/or add/remove events on the troop's calendar, but the camping other major event dates are set. The calendar and key event dates are available in some new ways this year. On the troop's website, two views of the calendar are available as an Adobe Acrobat PDF files in the **Newsletters** section of the website. These calendar views let you see a printable version of the calendar produced at the annual planning conference:

- 2009-2010_Troop_105_calendar_key_dates
- 2009-2010_Troop_105_Calendar

An online (Google) troop calendar is available from the **Calendar** section of the troop website. This online calendar is the most up-to-date view of troop events information available. The direct link to this calendar is:

Committee Chair's Corner

Thanks to all the parents, leaders, and SPL council members who participated so actively in the annual planning conference last month. The role of the troop committee to facilitate the troop's program would not be possible without lots of adult volunteers donating their time and talent. Areas in which volunteers are NOW NEEDED include:

- Troop Fun Night Food Coordinator
- Troop Merit Badge Counselors
- Grange Building Committee Treasurer
- Grange Building Committee Fundraising Coordinator

Remember that **October is Popcorn month!** Our Supreme Goddess of Popcorn (aka Mrs. Frisbee) will be signing up scouts and adults for booth duty SOON.
